1

I know a secret
To make the world a better place
It's true in Kenya
And right here in the United States

It's a super power
Hidden under your nose
When you choose to let it shine
The whole world glows!

CHORUS

3

Now you know the secret
That kindness is the tool
To make this world better
Starting at your school

Celebrate your differences
You each have good to give
Let's get this party started
In the way we live

CHORUS

2

When you see someone
Who doesn't look like you
If you smile you break down the wall
You can find a friend brand new

Kids all over the world
Come join this kindness ride
We're all a little different
But we're the same inside

CHORUS

CHORUS

When you smile
We feel it all around the world
Every boy and girl
You've got a super power when you smile

(When) you smile
We feel it all around the world
Every boy and girl
You've got a super power
when you smile
